(old: ADVANCED Line Superior HCL)

Schneider ARANGA

ARANGA is the word of the Maori indigenous people for a new beginning. You will encounter this feeling every day with a motivated smile in your mirror cabinet or illuminated mirror.

Schneider BORDO

Like the spectacular and spell-binding cliffs of the Amalfi Coast. With BORDO, you will experience the perfect arc of light as a dramatic and unique design. For clean lines and elegant shapes.

Schneider CARE

Take care of yourself. With the perfect combination of comfort and function. CARE adapts to demanding environments and creates a pleasant ambience for your well-being.

Schneider EASY

Minimalist while also offering maximum comfort. EASY combines all features in a perfect way and adapts to your individual wishes with utter ease.

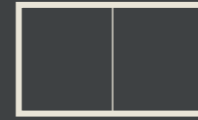

Schneider FILO

Experience when wall and mirror cabinet merge. As a master of flush-fitted aesthetics, the FILO brings wall and mirror together in seamless harmony.

Schneider **STYLE** LED (SLC/SP)
(old: STYLE Line Comfort LED)

Schneider **STYLE** plus LED (SLU/SP)
(old: STYLE Line Ultimate LED)

Schneider GLOW

Inspired by the play of light from rays of the evening sun reflected in Lake Walensee. GLOW reveals the enchanting elegance of 360-degree luminosity and awakens emotions of very special moments of well-being.

Schneider GRACE

The enchanting relaxation of the most beautiful wellness worlds. GRACE creates this atmosphere with fine strips of light that are discreetly embedded in the mirror.

Schneider LOW

Modern design with reduced cubic shape of the lighting. The LOW mirror cabinets and illuminated mirrors impress with high functionality and cost efficiency in the bathroom.

Schneider LUNE

The moon has risen. Bright and clear in the sky, sleek and beautiful in your bathroom. LUNE is inspired by the eclipse. A fine corona of light that is created when the moon moves completely in front of the sun.

Schneider PATA

In Swahili, PATA means to receive something useful. And the all-rounder keeps its promises: quality, design and functionality that enrich each day.

Schneider STYLE

Aesthetics and a design that seems to float in the room. The soft, indirect light of STYLE emphasises a modern and stylish ambience for a place of relaxation.
