

## EASY Line Comfort

**Featuring ample space, power and continuously adjustable glass shelves instead of built-in lighting, EASY Line Comfort is intelligently reduced to the essentials: a mirror and cabinet.**

### A great cabinet for small budgets

EASY Line Comfort offers exactly what a mirror cabinet needs to, including plenty of space, an interior that adapts to the needs of the use.

### Less is more

EASY Line Comfort dispenses with lighting. This is not only easier on your budget, but also gives you the freedom to implement your own bathroom lighting concept. The continuously adjustable glass shelves also provide plenty of latitude to furnish the interior according to your requirements.

The mirror cabinets of EASY Line Comfort consist of white-lacquered aluminium profiles manufactured in Switzerland in trusted Schneider quality. The material is extremely durable and easy to clean.

### Colour

White

### A proven Schneider feature

Thanks to continuously adjustable glass shelves, the interior of the cabinet can be easily adapted to your needs.

### Hinges and dampers

Durable hinges that operate effortlessly, doors with dampers.

### Properties:

#### Continuously adjustable glass shelves

The beloved Schneider system featuring continuously adjustable glass shelves.

#### Recessed mounting

The mirror cabinet can be installed in the wall for less protrusion.

#### Swiss made

Planning, design and manufacturing takes place entirely at the Swiss factory in Flums.

#### Sustainability

All cabinets are made of 100% recyclable aluminium.

#### Installation frame

INSTALLATION FRAME  
*universal* for flush mounting
