

## PATA *Line LED*

**Straightforward. Attractive. With PATA *Line LED*, we concentrated on the essentials: on a simple design, on balanced proportions, on premium aluminium profiles – and of course on top-notch lighting.**

### The versatile all-rounder

With its neutral design and white-coated aluminium profile, PATA *Line LED* fits in perfectly into any bathroom style: furniture with synthetic resin fronts or veneer, porcelain stoneware tiles in anthracite, ceramic tiles in colour, plaster or natural stone – PATA *Line LED* supports the effect of all materials and colours.

You decide what light you want. Select from high-quality LEDs in 4000 K (neutral white) or 3000 K (warm white).

### Installation frame

Can be installed in a flush-mounted version with the universal installation frame.

### Colour

  
White

### Glass shelves

Continuously adjustable glass shelves.

### Socket

Socket at the top right.

### Properties:

#### 3000 K

Pleasantly warm, white light ideal for everyday bathroom lighting.

#### 4000 K

Cool, white light ideal for brightly lighting your bathroom and face.

#### Swiss made

Planning, design and manufacturing takes place entirely at the Swiss factory in Flums.

#### Sustainability

All cabinets are made of 100% recyclable aluminium.\*

#### Continuously adjustable glass shelves

The beloved Schneider system featuring continuously adjustable glass shelves.

#### Direct light

Direct light shines on the beholder and illuminates the face.

#### Recessed mounting

The mirror cabinet can be installed in the wall for less protrusion.

#### Installation frame

INSTALLATION FRAME  
*universal* for flush mounting

\* 100% of our aluminium profiles are based on recycled aluminium.  
This has a used material content of approx. 80%.
