

PREMIUM *Line Superior TW*

With a narrow strip that wraps around the mirror cabinet and radiates light behind the glass, PREMIUM *Line Superior TW* combines optical brilliance and luxurious functionality.

The perfection of elegance

PREMIUM *Line Superior TW* also features a circumferential frame. In this model, the elegance of the design finds its ultimate expression: the mirror doors are on the outside, and from the front a narrow band radiates the light behind the glass, enhancing the optical brilliance of this mirror cabinet of slimline simplicity.

From candlelight to make-up light

With its Tunable White function, PREMIUM *Line Superior TW* adapts to your every need in the bathroom. You want to relax in a soothing bubble bath? Then a romantic candlelight atmosphere of 2000 K will help you unwind. Would you like to apply make-up, style your hair or shave? Then a bright daylight colour of 6500 K is best.

The integrated membrane keypad of PREMIUM *Line Superior TW* allows the light colour to be adjusted and the light to be dimmed steplessly – in order to perfectly match the current activity in the bathroom.

Colours

Light colours

Dimmable tunable white LED strip light, light colour from candlelight (2000 K) to bright daylight (6500 K).

Lighting functions

Convenient control of lighting functions using the integrated membrane keypad.
