

## PREMIUM *Line Superior TW*

**With a narrow strip that wraps around the mirror cabinet and radiates light behind the glass, PREMIUM *Line Superior TW* combines optical brilliance and luxurious functionality.**

### The perfection of elegance

PREMIUM *Line Superior TW* also features a circumferential frame. In this model, the elegance of the design finds its ultimate expression: the mirror doors are on the outside, and from the front a narrow band radiates the light behind the glass, enhancing the optical brilliance of this mirror cabinet of slimline simplicity.

### From candlelight to make-up light

With its Tunable White function, PREMIUM *Line Superior TW* adapts to your every need in the bathroom. You want to relax in a soothing bubble bath? Then a romantic candlelight atmosphere of 2000 K will help you unwind. Would you like to apply make-up, style your hair or shave? Then a bright daylight colour of 6500 K is best.

The integrated membrane keypad of PREMIUM *Line Superior TW* allows the light colour to be adjusted and the light to be dimmed steplessly – in order to perfectly match the current activity in the bathroom.
